To find out when your score reports have been processed, go to your TOEFL iBT® profile and click on View Order(s).

Scores are posted approximately 10 days after your test date.

Official score reports are mailed to your score recipients within 2 weeks of your test date. However, ETS has no control over mail delivery to locations around the world. Allow 7-10 days after the mailing date for delivery in the U.S., and more time for other locations. For information specific to a location, contact the local post office and ask for estimated delivery times for mail from the U.S.

To order additional score reports for a fee, to go Order Score Reports in your TOEFL® online profile.
